

April 11, 2015 • Visalia Country Club

Visalia is a city well known for a wholesome lifestyle based in the desire to meet the needs of its residents and the world that surrounds them. Among the many factors that have led to this outstanding reputation is the ability of Visalia County Center Rotary Club to raise money, from its members and community, to help advance important programs and projects. Each year the Club raises at least \$65,000, donating more than \$710,000 over the past ten years, to meet local, regional, and world-wide needs.

You can be part of these efforts by participating in County Center Rotary Club's annual "A Taste of the Wine Country" event. The evening includes fine wine tasting, delectable hors d'oeuvres and desserts, a no host bar, and musical entertainment, along with live and silent auctions. Tickets are \$40 per person and for those wanting to help even more a menu of sponsorship opportunities is attached for your convenience. Please contact Phil Bourdette (559-625-8425) or any Club member to participate in making good things happen for your community and world. You can also view a list of the items available for auction by visiting www.vccwineauction.com.
